Effective 8/16/04 a new method of charging Grad Fringes will be implemented. Under the new system a flat dollar amount for Health and a separate flat dollar amount for Tuition and Fees will be applied. The Health amount will be applied to the ledgers using object class code 015. The Tuition and Fees portion will be applied using object class code 018 (new code). The above amounts will be applied to all Grads regardless of employment percent (1/4, 1/2 or 3/4). Future Research awards using the full F&A rates will not be applied to the tuition and fee portion (object class code 018).

\* Assumes increases of 6% per year for health and 8% per year for graduate tuition & fees.
